Activity Descriptions:

Animal Feeding Time
ABC's of Canoeing

Bee Happy
Bountiful Bowen
Butterfly Away
Canoe Hike
Cartography
Chain By Numbers
Dam Builders
Exploring Nature
Feeding Time
Frog and Toad
Gyotaku

Watch the nature center animals being fed. Bring some bugs, insects or worms if you can as animal feed if you can.
Do you have a 5-stroke canoe engine? Can you right a canoe in open water? Come prepared to get wet.
Learn basic canoeing techniques and safety skills from a 35 year veteran. Bring your own canoe or rent one of ours. (Approx. 2 hrs.)
Buzz on into the nature center for a short presentation on bees and our observation hive.
A quick hike around Bowen Lake will show us the many habitats of the park.
Learn all about butterflies in this follow-up to the morning's activity.
Enjoy a 2-hour paddle with the naturalist as we explore the lakes and channels of the park.
Discover how to read a topographic map and make one of your own!
Game Time! Test your knowledge of Chain O'Lakes State Park for fun and prizes. (Hint: read your brochures before the game).
Explore the benefits and drawbacks of beavers as we search for signs and sightings.
Designed for children, this hike provides many activities to help them learn about nature.
Watch as we feed the nature center animals @12:15pm Thursdays and Sundays.
Fact or Fantasy, not the story. Learn the truth about frogs and toads, watch them eat, and handle them if you would like.
Make & Take. Learn the art of fish printing. Bring a solid colored T-shirt or bandana to take home some wearable art.

Hummingbirds
Ladybug Ladybug
Leaf Printing

We'll also have some paper for you to print on if you prefer.
True or False: Hummingbirds eat insects. Learn this and many more fascinating facts about hummers at this presentation.
Learn the good the bad and the ugly of ladybugs. Make and take a ladybug hand puppet.
Practice the arts of leaf printing and bark rubbings. Take home some wearable art if you bring a solid colored T-shirt or bandana.
We'll also have some paper for you to print on if you prefer.

Leave it To Beaver
Mad Libs
Making Tracks
Mystery 'Hike'
Nature Bingo

Learn the benefits and drawbacks of beavers and their many adaptations as we explore a beaver pelt.
Join us at the Nature Center as we teach you how to make up some mad-libs about the park.
Practice the technique of using plaster of paris to make casts of tracks.
Not really a hike at all, byt certainly a mystery. Try your 'hand' at guessing the mystery items.
Fun and Prizes! Learn about our natural world while playing bingo for prizes.

Night Hike
Paint by Nature
Park Geology
Pond Play
Snake Whisperer
This Old schoolHouse
Turtle Talk
Vulture Venture
Whoooo's Home
Whoooo's There
Wildflower Wander
Woodpecker Walk

Leave your flashlights behind and come see the park from an owl's point of view! Lots of activities to experience on this hike. Meet at the camp store.
Bring your imagination and a t-shirt to make memories using objects in nature as your paintbrush. Or use the paper we provide.
Learn what made Chain O'Lakes as we show you examples of the various geological features.
Wear your water shoes and prepare to get muddy! We'll use dip nets to explore for critters in the Little Finster Lake shallows.
SssssStop by the nature center to disssscover fassscinating factsss about sssnakes.
Learn the history of our schoolhouse naute center and one of it's famous former students.
We're bringing out the turtles of the nature center for you to meet and learn about their many fascinating features.
Come learn the delightful and disgusting about these necessary birds on this short hike. Bring binoculars if you have them.
Learn about the owls of the park in this slide show presentation
Learn the many adaptations of owls and discover the common ones found in the park with a short slide show.
Join the naturalist on this morning hike to look for summer wildflowers.
Join the naturalist for a short hike to a wood known for woodpecker sightings. Bring binoculars if you have them.
